We will be starting a teen club at the credit union. If you are 13-19 years old, you can join. If you are a current member, just call & we will place you in the teen club. Our 1st contest will be to name the teen club. Winner will be announced 5-1-01. Whoever wins will receive a gift certificate to Sam Goody!

Remember if you deposit money in our Credit Union 3 months in a row, you can pick a gift from the grab box!

Youth Club Around the World

Why did the potato move to Paris?
What is the laziest food in the grocery store?

Because he wanted to be a french fry.
It likes to loaf around.

Did you know: that other countries around the world have different money than we do. For example, France has currency called "francs". Take a look at their money and then take a look at our money . Pretty cool!
