

Della Gattien

I have been with GLFFCU for 17 years. I cherish the lasting relationships I've made with our members. The most rewarding aspect of my job is watching our members transform their financial well-being by meeting and exceeding their goals. I'm happy to be a part of that and look forward to assisting our members with their lending goals in the future.

75
Years of GLFFCU

This year GLFFCU is celebrating 75 years! Great Lakes First Federal Credit Union was originally organized on April 7, 1949 under the name of Harnischfeger Employees of Escanaba Federal Credit Union. A group of nine employees decided to organize a credit union with the idea that by saving together, they could build a fund from which loans could be drawn from to help fellow employees who needed money for worthwhile purposes. They felt an employee free from financial anxiety is a more efficient and reliable person. In 1982 Harnischfeger Employees of Escanaba Federal Credit Union merged with Teamster's Local 328 Federal Credit Union. In 1983 Harnischfeger Corporation closed the Escanaba plant which resulted in the credit union's name being changed to Great Lakes First Federal Credit Union. In 1991 GLFFCU merged with Gladstone Community Federal Credit Union.

A lot has changed through the years but GLFFCU remains your modern financial institution with a personal touch. From humble beginnings to 8,000 members and counting - we are proud to serve Delta County and look forward to the years to come with our valued members.
