Thank You!

Thank You Members

Thank you to everyone who joined us for our Member Appreciation Day! It was a wonderful afternoon filled with food, fun, and time spent with the people who make Great Lakes First Federal Credit Union so special, our members. On behalf of GLFFCU management and staff, thank you for your continued trust, loyalty, and support. We are proud to serve you and our community!

Celebrating Our Members!

Our annual Member Appreciation Day was a wonderful afternoon filled with food, fun, and plenty of smiles! Members joined us at our Escanaba office for lunch, face painting, Plinko, a photo booth, raffles, and more. It was a great opportunity for Team Great Lakes to spend time with the people who make our credit union and community so special.

Thanks to the generosity of our members, we also raised \$250 for the Delta Animal Shelter through our special raffle. We are incredibly grateful to everyone who stopped by, participated, and helped make the day such a success. Most of all, thank you to our members for choosing Great Lakes First Federal Credit Union and allowing us to serve you throughout the year. We're already looking forward to celebrating with you again next year!

NEW REWARDS PROGRAM.

CREDIT WORTH MORE.

GREAT LAKES FIRST
FEDERAL CREDIT UNION

*RATE BASED ON CREDIT SCORE

Exciting changes are coming to your Great Lakes First Federal Credit Union credit card! Members with a Great Lakes credit card will receive a new card in the mail this September, featuring a fresh new look. Once your card arrives, be sure to follow the included activation instructions and begin using your new card no later than September 21. After activating your new card, remember to update any recurring payments or subscriptions connected to your current card.

When choosing a credit card, the interest rate matters. Credit cards from large national banks and major card issuers can often come with higher interest rates, making carrying a balance more expensive over time. A low-interest credit card from your local credit union can help keep borrowing costs more manageable while giving you the convenience and flexibility you expect from a credit card.

Best of all, your Great Lakes credit card is backed by a team you already know and trust. Instead of dealing with a faraway institution, you have local people available to answer questions and help when you need it. Great card. Competitive rate. Local service. It's another way Great Lakes First Federal Credit Union is working to provide our members with financial products designed with their needs in mind.

Something rewarding is on the horizon! Great Lakes First Federal Credit Union is excited to introduce Lake Effect Cash Rewards, our new credit card rewards program designed to make earning and enjoying your rewards easier than ever.

With Lake Effect Cash Rewards, eligible purchases made with your Great Lakes credit card will help you earn rewards that can add up to cash back. The new program will make it easier to access your rewards, see what you've earned, and take advantage of the benefits of using your Great Lakes credit card for everyday purchases.

Lake Effect Cash Rewards is just one more reason to keep your credit card local. Pair valuable cash rewards with a competitive credit union credit card rate and the personal service you expect from Great Lakes, and your everyday spending can work a little harder for you.

Lake Effect Cash Rewards is coming soon! Watch for more information about the program, including how to access your rewards and start taking advantage of everything your new Great Lakes credit card has to offer!
